

# 2011 PRANIC HEALING HIGHER COURSES

## ADVANCED PRANIC HEALING

ADVANCED PRANIC HEALING is a specialized workshop for those who wish to become more effective healers.

In ADVANCED PRANIC HEALING, you will learn how to utilize colored prana for quicker, more effective healing results. Colored prana creates a more focused effect on the energy field and the chakras. Here are some of the other skills taught in ADVANCED PRANIC HEALING:

- Advanced color healing: You'll learn to use the right proportion, color combinations and degree of hue of colored prana.
- Advanced scanning using fingers: You'll learn to interpret and assess more quickly and effectively the correction of imbalances in the energy field patterns.
- Powerful specialized healing techniques: You'll learn Rapid Healing of Wounds, Cellular Regeneration, Cleansing of the Internal Organs, Cleansing of the Blood and other techniques to boost the immune system.
- High-level energetic methods of enhancing the body's innate healing ability. You'll learn techniques for working on AIDS, cancer, stroke, diabetes, kundalini syndrome (a state in which the aura is over-energized due to meditation or other excessive energy-development practices) and other severe ailments.
- Instructive healing: You'll learn to help accelerate healing and recovery by influencing and reprogramming the consciousness of diseased cells and organs.

Instructor: Senior instructor Cynthia Deleon
