

PRANIC HEALING LEVEL I

HARNESS ANCIENT NATURAL TOOLS TO HELP YOURSELF AND OTHERS PHYSICALLY AND EMOTIONALLY

In two days learn and practice:

- Scanning to assess energetic causes of pain and disease
- 11 Major Chakras, corresponding organs and symptoms
- Aura cleansing for lasting health and healing
- Simple steps to remove old, stagnant energies
- Powerful ways to revitalize the chakras and organs
- Cutting draining cords, to quickly let go of work-stress
- Energy first-aid for cuts, bruises, burns and sprains
- Energetic Hygiene to remain disease-free and feel good
- Twin Hearts Meditation
- Self-Pranic Healing
- Distant Pranic Healing to heal remotely
- Pranic Breathing to recharge yourself
- Foundational course towards certification

Pranic Healing is practiced actively in over 90 countries. Doctors, nurses, health professionals, massage therapists, and people from all walks of life are using Pranic Healing to help themselves, their patients and loved ones achieve greater health physically and emotionally. Social workers and massage therapists can earn 16 continuing education units by taking this course. Join thousands who have developed the ability to heal a wide range of common health and emotional problems using this safe and effective method of energy healing. You too can discover you have the ability to heal.
